

Blue Cross Blue Shield FEP Vision Section 3 How You Obtain Care

Plan Providers

We list in-network plan providers in the provider directory, which is updated frequently. The most current list can be found on our website at www.bcbsfepvision.com. It is your responsibility to ensure that the provider chosen is an active participant in the program, at the time you receive services. **The BCBS FEP Vision network is specific to routine vision care and is different from the network for your medical plan.**

In some cases, due to local regulations or business practices, the doctor may be independent of the retail location. You should confirm that both the doctor and the retail location are participating prior to seeking services.
