Section 3 How You Obtain Care**

Identification Cards/Enrollment Confirmation

Two ID cards are issued for each member, regardless of coverage option. If additional cards are needed, you may request them through our website, www.bcbsfepvision.com, or call us at 1-888-550-2583 or TTY: 1-800-523-2847. All eligible dependents listed on your enrollment share your identification number. You do not need an ID card for each member of your family. You can print a temporary ID card online, view it in our mobile app or contact customer service to verify your eligibility in the plan.
