Section 3 How You Obtain Care**

FEHB First Payor

When you visit a provider who participates with both your FEHB plan and your FEDVIP plan, and the FEHB plan provides routine vision care and services, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. We are responsible for facilitating the process with the primary FEHB payor.
